DiSC[®] Sales Strategies

Increasing Sales through Adaptability

Give your sales
team a jump on
the competition!

Gain the competitive advantage of DiSC[®] and improve the effectiveness of every member of your sales team. *DiSC Sales Strategies* helps both new and experienced sales people to:

- focus on customer needs
- enhance customer relationships
- develop competencies in a variety of selling situations
- reduce direct sales costs
- develop long-term relationships for repeat sales

Increase Sales Performance and Profitability

DiSC Sales Strategies can be used as a stand-alone program or as a valuable addition to your current sales training. Organizations like yours use *DiSC Sales Strategies* to help their sales people:

- learn to position themselves, their products, and their services with the client's needs in mind
- create and maintain relationship-based sales
- utilize the customer's time — and their own — more effectively
- increase sales-call effectiveness
- meet sales goals by effectively selling to buyers with different styles

Flexible Format Adapts to Meet Your Needs

DiSC Sales Strategies is designed to fit into the demanding schedules of today's sales professionals. This six-module workshop can be facilitated in either two consecutive days or in one day with additional sessions spread over time.

Module 1: Increasing Sales through Adaptability

In Module 1, participants gain understanding about sales adaptability and explore the benefits of being adaptable.

Module 2: The Influence of Styles on Selling and Buying

In Module 2, participants use DiSC to learn about different behavioral styles, discover their own style, and discuss how each style influences buying and selling.

Module 3: Identifying Your Customer's Style

In Module 3, participants learn how to identify their customer's behavioral style.
